

Operations Research Symposium 2008

Australian Operations Research Society, ACT Chapter

20th November 2008

UNSW@ADFA, Canberra

The Australian Operations Research Society, ACT Chapter will host a one-day Symposium on Operations Research on 20th November 2008 at UNSW@ADFA, Canberra. The symposium will provide a forum for operations research scientists to exchange ideas and discuss their latest research and applications. All interested Operations Research academics and practitioners are invited to give a 20-30 minutes talk in the symposium.

Expressions of interests to present are to be sent to Dr Philip Kilby [Philip.Kilby@nicta.com.au] by Friday 1st November. The talks will be accepted based on its relevance to the symposium and quality of work content and will be advised of selection by Wednesday 5th November.

The Symposium will be followed by the Annual General Meeting of the Canberra Chapter of ASOR.

Symposium Chair: Dr David Wood,
(David.Wood@dsto.defence.gov.au), President, ASOR, ACT Chapter.

Sponsors: Defence Security and Application Research Centre (DSARC), UNSW@ADFA, Canberra.
